CASE NO. 4:10-CV-1149 JMM

**COMPLAINT FOR PATENT
INFRINGEMENT**

DEMAND FOR JURY TRIAL

This case assigned to Judge Moody
and to Magistrate Judge Deere

TO THE HONORABLE UNITED STATES DISTRICT COURT:

COMES NOW the Plaintiffs, P.S. Products, Inc., and Mr. Billy Pennington, hereafter "Plaintiffs," by and through its attorney, Chris H. Stewart of the Stewart Law Firm, files this Complaint against Defendants, Alibaba.com, Inc., and Aliexpress.com, hereafter "Defendants:"

THE PARTIES

1. This action is brought by P.S. Products, Inc., and its president, Mr. Billy Pennington, are manufacturers and distributors of stun guns and other personal security devices, organized within the state of Arkansas with its principal headquarters at 414 S. Pulaski Street, in the city of Little Rock, state of Arkansas, 72201.

2. The Defendants, Alibaba.com, Inc., and Aliexpress.com are internet sales providers of various products including personal protection devices to retailers, distributors and individuals throughout the world via the World Wide Web and owns the websites www.alibaba.com and www.aliexpress.com. Alibaba.com, Inc., is a corporation organized and existing in the state of California with business activities throughout the world, on the World

Wide Web and specifically in the state of Arkansas. The Defendant is headquartered at 3945 Freedom Circle, Suite 600, Santa Clara, CA 95094.

3. Plaintiffs are informed and believe that at all times mentioned in this Complaint, each of the Defendants was the agent of each of the other Defendants and in doing the things averred in this Complaint, was within the course and scope of such agency.

JURISDICTION AND VENUE

4. This is a civil action seeking damages and injunctive relief for patent infringement under 35 U.S.C. § 101 et al.

5. Pursuant to 28 U.S.C. § 1331 and 1338(a), this Court has federal subject matter jurisdiction over the Plaintiff's claims for patent infringement.

6. Pursuant to 28 U.S.C. § 1391, venue in this suit lies in the Eastern District of Arkansas because the actions which gave rise to the claims presented in this complaint occurred in Little Rock, Arkansas, within the Eastern District of Arkansas.

7. The Eastern District of Arkansas has personal jurisdiction of the Defendants because, among other things, Defendants are engaged in tortuous conduct within the state of Arkansas and in this District, including placing into commerce illegal copies of Plaintiff's patented goods via www.aliababa.com and www.aliexpress.com and inducing others to infringe upon the Plaintiff's patented goods. Defendants have maintained substantial, continuous and systematic contacts with the state of Arkansas through its business dealings with residents of the State of Arkansas. Defendants engaged in numerous business activities within the state of Arkansas. Defendant's conduct causes injury to and is directed at, Plaintiffs and their intellectual property within state of Arkansas. But for the Defendant's conduct the Plaintiffs would not have suffered damage. Furthermore, Defendant marketed its goods, services and provided customer

services to the state of Arkansas. *See* Ark. Code Ann. § 16-4-101 (1987); Ultimatics, Inc. v. Minimatic, Inc., 715 F. Supp. 1448 (E.D. Ark. 1989); and Ferrell v. W. Bend Mut. Ins. Co., 393 F.3d 786 (8th Cir. 2005).

FACTS APPLICABLE TO ALL CLAIMS

Blast Knuckles supervoltage self-defensive stun gun/stun guns

Just touch your attacker to instantly repel them and give you time to get away. Longer contact will cause further disorientation and after some seconds may drop them to their knees. This patented device has a soft rubber skin and is sized to accomodate all hand sizes. A safety switch is built in and accessible to your thumb. Once you grab the Knuckle Blaster stun gun you can off the safety and fire with the same hand. No need to use two hands.

Usage and attention:

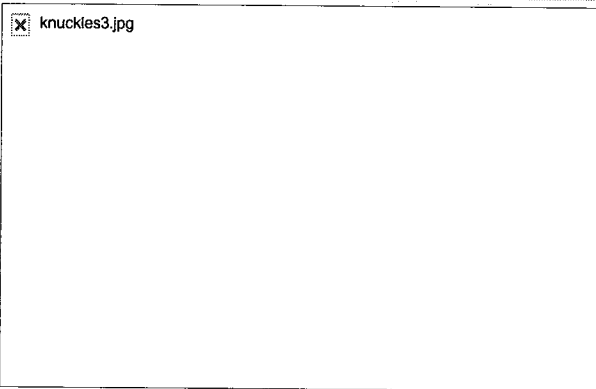

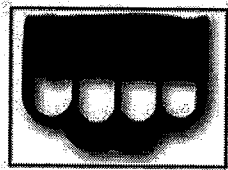

- 1.Push upward the right switch second gear to shock
- 2.Push upward the right switch first gear to illuminate
- 3.The quantity of electric may be not adequate enough after accomplished, so please check first before using.
- 4.This product is equipped with a built-in rechargeable battery and a built-in charger. Connect the tie line with the electric power to charge.
- 5.The charge time should be 3- 5 hours, please pay attention to end the charging time. During charging-up it can't be used.
- 6.Memory function and local action are specialized in rechargeable battery. After a long period of non-use, it should be checked and charged one more time before using.
- 7.The stun gun should not be stored in a humid environment and kept in super high/low temperature. It shouldn't be sunned or rained.
- 8.In order to prolong the life span of usage, please avoid using electric shock function continually for 5

more.

9.DO NOT shock metal objects

10.DO NOT shock children, children, persons with heart disease and any vital part on human body.

Pocket stun gun Blast Knuckles

Just touch your attacker to instantly repel them and give you time to get away. Longer contact will cause further disorientation and after some seconds may drop them to their knees.

This patented device has a soft rubber skin and is sized to accomodate all hand sizes.

A safety switch is built in and accessable to your thumb. Once you grab the Knuckle Blaster stun gun you can off the safety and fire with the same hand. No need to use two hands.

Usage and attention:

- 1.Push upward the right switch second gear to shock
- 2.Push upward the right switch first gear to illuminate
- 3.The quantity of electric may be not adequate enough after accomplished, so please check first before using.
- 4.This product is equipped with a built-in rechargeable battery and a built-in charger. Connect the tie line with the electric power to charge.
- 5.The charge time should be 3- 5 hours, please pay attention to end the charging time. During charging-up it can't be used.
- 6.Memory function and local action are specialized in rechargeable battery. After a long period of non-use, it should be checked and charged one more time before using.
- 7.The stun gun should not be stored in a humid environment and kept in super high/low temperature. It shouldn't be sunned or rained.
- 8.In order to prolong the life span of usage, please avoid using electric shock function continually for 5 seconds or more.
- 9.DO NOT shock metal objects
- 10.DO NOT shock children, children, persons with heart disease and any vital part on human body

Just touch your attacker to instantly repel them and give you time to get away. Longer contact will cause further disorientation and after some seconds may drop them to their knees.

This patented device has a soft rubber skin and is sized to accommodate all hand sizes.

A safety switch is built in and accessible to your thumb. Once you grab the Knuckle Blaster stun gun you can off the safety and fire with the same hand. No need to use two hands.

Usage and attention:

1. Push upward the right switch second gear to shock
2. Push upward the right switch first gear to illuminate
3. The quantity of electric may be not adequate enough after accomplished, so please check first before using.
4. This product is equipped with a built-in rechargeable battery and a built-in charger. Connect the tie line with the electric power to charge.
5. The charge time should be 3- 5 hours, please pay attention to end the charging time. During charging-up it can't be used.
6. Memory function and local action are specialized in rechargeable battery. After a long period of non-use, it should be checked and charged one more time before using.
7. The stun gun should not be stored in a humid environment and kept in super high/low temperature. It shouldn't be sunned or rained.
8. In order to prolong the life span of usage, please avoid using electric shock function continually for 5 seconds or more.
9. DO NOT shock metal objects
10. DO NOT shock children, children, persons with heart disease and any vital part on human body
