As you may know, eBay does not manufacture, sell, or offer for sale any of the products referenced in your NOCI. To the extent such items may be listed on ebay.com, they would be listed by third-party sellers, not eBay.

If you have secured, or in the future secure, an injunction or other equitable relief on the basis that the products referenced in your NOCI infringe upon a valid and enforceable U.S. patent owned by you, please send us an updated NOCI including the following information:

(1) A copy of the injunction or other equitable relief enjoining the sale and/or offer for sale of the accused product(s) in the United States on the basis that they infringe upon a valid and enforceable U.S. patent owned by you;

(2) A statement, signed under penalty of perjury, that you have a good-faith belief that:

- a. the specific listing(s) on www.ebay.com referenced in your NOCI fall within the scope of such equitable relief;
- b. the products listed in the referenced listing(s) were never manufactured or sold in the United States by you or by someone authorized by you; and
- c. the seller listing the item(s) does not have a valid license under the patent(s) that form the basis of the injunctive or equitable relief.
